DETAILED ACTION

Allowable Subject Matter

1. Claims 1-6 are allowed.

2. The following is an examiner's statement of reasons for allowance:

Applicant's invention is to provide a power supply that permits high efficiency and miniaturization. A power supply device advantageous from a cost perspective and an assembly work standpoint, and that allow the cooling fan to be changed rapidly. A protective member is mounted so as to be displaceable to a removal disabling position in which the protective member obstructs the removal of the cooling fan by abutting against the cooling fan and to a removal enabling position that permits removal of the cooling fan stopper members, which serve to obstruct movement of the protective member to removal disabling position by abutting against the protective member in state where the cooling fan is not disposed in a predetermined position. None of the cited art overcomes the limitation of the claimed subject matters of the instant application since the claims are allowed.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
